Here the air is cool, the clouds drift low and the silence is real. Lush green surroundings stretch around you, with the historic Purandar Fort rising in the distance.

Whether you want a weekend retreat, a place to farm, or land to hold for the future, there is a plot size for you, from 11,000 sq ft to 5 acres.

Sunrise with the fort on the horizon, cool breeze from the hills, and a setting that few places near Pune can match.
